

# WE'RE HAPPY TO INTRODUCE

## SARAH PORTER, MD

Sarah Porter, MD completed her undergraduate education at Cornell University and medical doctorate at University of Rochester School of Medicine and Dentistry.

Dr. Porter worked as a family medicine doctor in Idaho for 7 years before relocating to Salida with her husband, two children, and dog this summer.

Dr. Porter will be accepting new primary care patients at Salida Health Center starting in September. She cares for individuals and families across the age spectrum.

### Patient Reminder:

Dr. Matthew Burkley's patients are strongly advised to call Salida Health Center effective September 1st to establish care with Dr. Sarah Porter, as we enter the final stage of our merger with HRRMC, and he moves on to the next chapter of his career.
