

First Street Family Health Merger with Heart of the Rockies Regional Medical Center

First Street Family Health (FSFH) is entering the final stage of the merger with Heart of the Rockies Regional Medical Center (HRRMC) and Salida Health Center. FSFH's merger will be finalized on September 1st.

Dr. Beauprez is now seeing all her patients at the Salida Health Center (**HRRMC Salida Health Center, 550 US-50, Salida, CO 81201**). Patients can call **719-530-2022** to schedule appointments with her at that location.

Jamie Vollmerhausen-PA is now seeing patients at Buena Vista Health Center (**HRRMC Buena Vista Health Center, 28374 County Rd 317, Buena Vista, CO 81211**). Patients can call **719-395-9048** to schedule appointments with her at that location.

Dr. Burkley, Dr. Grant-Nierman, Dr. Lombardo, and Sarah Laing-NP will continue to see patients at our current location, (**910 Rush Drive, Salida, CO 81201**) through August 31st. Appointments for these providers can still be scheduled through **FSFH** at **719-539-6637** until August 31st, 2023.

First Street Family Health will permanently close August 31st. All our patient services will end including our website, Updox patient portal, appointment and RX request forms, phones and fax numbers, etc. Our 719-539-6637 number will remain active for final billing, records requests, and business loose ends.

On September 1st HRRMC will take over this clinic. Dr. Lombardo, Dr. Grant-Nierman, and Sarah Laing- NP will continue to see all their patients in this location (**910 Rush Drive, Salida, CO 81201**) with a tentative start date of September 7th. The new building, out on HWY 50, will not be ready for all our providers for some time. All appointments and patient services for these providers and location need to be handled through the new clinic, **Heart of the Rockies Regional Medical Center**, at **719-530-8230** after August 31st. All patient records will be automatically transferred to HRRMC.

Dr. Burkley will no longer be seeing patients as of August 31st. However, he recommends his patients establish care with Dr. Sarah Porter (new provider) effective September 1st. She will be seeing patients at the Salida Health Center (**HRRMC Salida Health Center, 550 US-50, Salida, CO 81201**) with a tentative start date of September 7th. Dr. Burkley's patients must call **719-530-2022** to establish care with Dr. Sarah Porter and schedule appointments with her at that location.

Thank you again for your patience and understanding during this process,

First Street Family Health
